

## Dive into Summer Reading!

Stone Academy encourages all students to participate in a summer reading program. Students who turn in a summer reading log from any program will be invited to a **Summer Reading Party** in September. Students who read more than 12 hours will be entered in a drawing for a **Trip to Barnes and Noble** with Mrs. Littlejohn (four winners; free book and snack included).

Recommended reading lists for each grade level can be found on the district's website, but students are not limited to these titles.
