

S.A.I.L. into Summer Reading

Thomas E. Kerns Summer Reading Log 2015

Each large square on this Summer Reading log equals a total of 1 hour of reading or listening. Each small square equals 15 minutes. Fill in the squares as you read. If you choose to count books instead of hours, list them on the other side of this log. 12 hours or 48 books – **choose one**. Audio books may be counted in either category. If you are participating in the Greenville County Public Library summer reading program, you may use that log and bring it to the media center when we return to school.

Student _____ Parent _____

Summer reading forms are due Friday, August 28, 2015.

S.A.I.L. into Summer Reading

Thomas E. Kerns Summer Reading Log 2015

Write the titles of the books you read or listened to on the lines below. A chapter does not count as a book. Attach paper to add more titles. If you choose to count hours instead of books, use the other side of this log. You may not combine hours and books – **choose one**. Audio books may be counted in either category.

1. _____	17. _____	33. _____
