Read at least two books that take place in any of the 50 states to be eligible to attend our fall *Summer Reading Sundae Party*. Students also may be able to extra credit in your English class. You are not required to read books from the 50 states list. Feel free to read *any* book of your choice that is not listed, but it needs to have a setting in one of the 50 states. The 50 States List is just to give ideas of what you *could* read. This form should be turned into the MHS media center or to your English Teacher the first week of school.
